

Clear Spring Health 2023 MAPD First Look

Who is Clear Spring Health?

Clear Spring Health is part of the **Group 1001 family of insurance companies** with ~\$50 billion in assets under management

Leveraging upon its record of building successful businesses and strong operating fundamentals, Group 1001 powers the next generation of insurance businesses with useful and intuitive solutions and products accessible to everyone.

- Clear Spring Health is an entrepreneurial, second-generation **Medicare insurance company** offering **consumer focused products and innovative healthcare tools**
- The Company built a platform in a high barrier to entry space, demonstrated **explosive growth** and presents **unique capabilities** relative to other Medicare Advantage entrants
- Clear Spring is one of the **fastest** growing plans in the country and have **tripled membership** during the most recent Medicare Annual Enrollment Period.
- Clear Spring currently sponsors Medicare Advantage plans in five states and Prescription Drug plans in 42 states plus DC.

■ = States where Clear Spring sponsors Medicare Advantage Plans

PY 2023 Product Offering

Clear Spring Health offers four plan types which vary by state. The following slides detail the plan types by state as well as product specific highlights.
